

## A social media survey

How important is social media to you?

1. Name five social media sites that you use.

Five empty rounded rectangular boxes for writing social media site names.

2. Complete the table.

- Which site is the most important for you? Which is the least<sup>1</sup> important? Rank<sup>2</sup> them from 1–5.
- What do you use them for?
- How much time do you spend on them every day?
